

NH VETERANS

Help Me Out, Vet!

What you **SHARE** today will
make a difference tomorrow!

Are you 1 of the 135,000 veterans living in New Hampshire?

PTSD and TBI are the signature injuries of war.

You can help NH's veterans receive the care they need.

It does not matter which branch of the military you served in
or during which conflict. **We want to hear from you right away!**

**PLEASE, take a few minutes RIGHT NOW to
SHARE (Survey Helping to Advance Recovery Efforts).**

**This quick & confidential survey
will benefit today's veterans dealing with post-combat injuries
and help veterans for years to come.**
