## VA MISSION Act for Veterans

Your Care is Our Mission

The VA MISSION Act of 2018 empowers Veterans and enhances care options.

## VA will:

- Continue to be a trusted, caring partner;
- Meet you where you are, with the right care at the right place and the right time;
- Provide telehealth in your home, in a VA facility, or in the community;
- Focus on providing an excellent experience for you and the important people in your life.

More Veteran to Veteran peer specialists

Trusted, easy to access, high quality care

Expanded caregivers program

Health Care For Veterans...

expanded telehealth opportunities

Care in your

home via

Education on health care options

When and Where You Need It.

Extra support in areas with limited services
