Many of you remember that Alex Ray, founder of the Common Man Restaurants, was a Granite State Warrior Award recipient not that long ago. You should be aware of his latest initiative to raise money in support of Ukraine. The chapter decided that if individual members wish to contribute money above and beyond the listed member meal costs, Roby Day will take those funds, and provide a single MOAA-NH check to support Mr. Ray's initiative. If you are not able to attend the April 1, event, but still wish to contribute to this cause, please send your contribution to Roby Day by check, and he will add those funds to the other contributions. This is an excellent way to provide our chapter with good public relations, and I encourage all members of the chapter to consider a donation. *Jim LeFebvre*
