**Boots to Business is a two-step training program developed to introduce
Veterans and transitioning service members to business ownership. This 2-
day workshop helps ensure that every participant has access to a
standardized entrepreneurship training track and the small business
resources in their local communities. Any veteran, spouse and/or
dependent children over 18 are welcome to participate!**

**After completing the 2-day Boots to Business session, participants will have
the tools and knowledge they need to identify a business opportunity, draft a
business plan, connect with local small business resources, and launch their
small business. If you have any questions, please contact Miguel Moralez at
603-225-1601 or email miguel.moralez@sba.gov**
