The graphic includes a photo of a speaker at a podium with a large screen behind him displaying the summit title and various partner logos such as DAV, Liberty, Veterans County, and others. Another photo shows a group of people sitting around a table in a bar setting, engaged in conversation. A 'Post-it' table easel is also visible in the networking photo.

Together, we can close the gap between the needs of our Veterans and the broad patchwork of Veteran-focused service programs and non-profit services!
