

PHARMACY COSTS (JAN. 1, 2024–DEC. 31, 2025)

Copayments won't change in 2024 for survivors of active duty service members and medically retired service members and their family members. ADSMs have no prescription drug costs when using a military pharmacy, TRICARE Pharmacy Home Delivery, or a TRICARE retail network pharmacy for covered drugs. Your TRICARE plan, which group you're in (A or B), and pharmacy type determine whether you may have to meet your annual deductible before copayments or cost-shares apply. To learn more, use the TRICARE Compare Cost Tool at www.tricare.mil/comparecosts.

At network and non-network pharmacies, you may get up to a 30-day supply of your covered prescription; with all other pharmacy options, you may get up to a 90-day supply, depending on the type of drug prescribed. Some drugs are only covered through home delivery. Overseas, some limitations may apply. Learn more at <https://militaryrx.express-scripts.com>, or call Express Scripts at 1-877-363-1303.
