Questions? Email Donata at development@gundalow.org

The **Robert B. Field Community Service Fund** was established by the Field family to honor Bob's service to his country and his community. A veteran, a supporter of many initiatives in the Seacoast NH community and above all a family man, Bob's legacy of unselfishness and community service will carry on through this fund by providing opportunities for veterans, first responders, law enforcement personnel, health care professionals and those who provide vital services to the people of the Seacoast region to enjoy a relaxing sail on the Piscataqua River with family and friends.

If you would like to help us in our efforts to sustain this program you can visit our web page and select the Get Involved tab and then the Donation tab. Please specify that your donation is for the Robert B Field Community Service Fund in the Donation Note field.
